- ✓ The Registrar, Calicut University, Kozhikode.
- The Registrar, Kannur University, Kannur.
- The Registrar, APJ Abdul Kalam Technological University, Thiruvananthapuram.

Sir,

Sub: Higher Education Department - India Skills Report 2025-  
Global Employability Test (GET) by M/s Wheebox India Pvt  
Ltd. among college students in Kerala - Reg.

Ref: Government letter of even number dated 12.09.2024

I am to invite your attention to the reference cited and to inform you that the Global Employability Test (GET) is intended to be conducted among final year students across higher education institutions (any stream). The test provides students a detailed report with valuable insights into their strengths, weaknesses and areas for improvement beyond traditional academic measures. In order for Kerala to be represented highly in the India Skills Report, it is very important that a large number of students take the test. However, as on date, the participation from colleges is low.

**The last date for the test has been extended till 30<sup>th</sup> November 2024.** For attempting the test, the institutions need to register first through the following link -

**<https://globalemployabilitytest.org/LOGIN-2/campus-register.obj>**

Once the institution has registered, the students from the institution can attend the test through the following link - **<https://connect.asapkerala.gov.in/events/12917>** . For any queries, please reach out to 7907795257.

Participation in the test is part of the Government of Kerala's broader commitment to ensuring better opportunities in terms of placements, skilling, wages, etc. I am therefore request you once again to direct all colleges under your control to take steps to register for the GET and ensure maximum participation from students in the test.

Yours Faithfully,  
JAYASREE T V

UNDER SECRETARY

For Principal Secretary to Government.

Approved for Issue,

Signed by

Krishnakumar S
