Introduction

An inspiring and well-coordinated morning assembly was conducted by the Mathematics students of MI Training College, Ponnani, under the guidance of Shaharban Miss. The program was organized as part of the college's regular assembly activities, aiming to promote values of discipline, unity, and holistic development among students. The assembly was efficiently anchored by Shana M.P, who led the proceedings with confidence and clarity.

The assembly began with a soulful prayer rendered by Hamna and Kamarunnisa. Their melodious voices created a serene atmosphere and set a positive tone for the day.

The National Pledge was led by Habeeba, reminding everyone of their duties and responsibilities towards the nation and society.

Risla presented the day's important national and international news headlines. The news segment kept everyone updated and encouraged awareness about current events.

Hadya Hussain shared a holy thought from the Holy Quran, highlighting the importance of education and knowledge in human life. The verse emphasized that seeking knowledge is a sacred duty and that wisdom leads to enlightenment and moral strength.

Thought fArya Nandha shared an inspiring thought on the value of perseverance and logical thinking, relating it to the field of mathematics. Her words motivated the audience to face challenges with determination and positivity.

The GK segment, conducted by Fathima Nasrin, included a few interesting facts and quiz questions related to mathematics and general awareness. This segment created enthusiasm and active participation among students.

Conclusion

The assembly concluded with a message of gratitude and reflection on the importance of discipline, unity, and intellectual curiosity in students' lives. The Mathematics students successfully conducted the session, showcasing teamwork and leadership.

The guidance of Shaharban Miss and the support of NSS Unit 344 made the event more organized and meaningful. The session encouraged everyone to start the day with positivity, mindfulness, and a spirit of learning.
