The management, Principal, faculty members, congratulated the toppers and all successful candidates for their remarkable achievement. They attributed the excellent performance to the hard work of the students, the dedication of the faculty, and the academic support provided by the institution.

Model Examination for B.Ed Second Semester Commences on June 2

MI Training College, Ponnani, has announced that the Second Semester Model Examination for the 2025–2027 B.Ed batch will commence on 2 June 2026.

The model examination is being conducted as part of the academic preparation for the upcoming University examinations. College authorities stated that the examination will help students assess their subject knowledge, identify areas for improvement, and gain confidence before appearing for the semester-end examinations.

The Principal and faculty members urged all students to make effective use of the opportunity by preparing thoroughly and maintaining regular attendance during the examination period. Detailed timetables and examination guidelines have been communicated to the students through the respective departments..

MITC Health Club Marks Seventh Week of 'Fit Stars' Fitness Drive

Angitha P
Most Consistent Star

Fabitha Mohammad
Most Improved Star

Vidya K
Positive Energy Star

MI Training College, Ponnani, has introduced a motivating initiative titled “Fit Stars of the Week” to recognize and encourage students’ commitment to health, fitness, and positive lifestyle practices.

As part of this weekly recognition programme, three students were honoured for their outstanding efforts in different categories. Angitha P was awarded the Most Consistent Star for her regular dedication to fitness activities. Fabitha Mohammed received the Most Improved Star title for showing remarkable progress, while Vidya K was recognized as the Positive Energy Star for inspiring others

with her enthusiasm and positive attitude. The initiative aims to promote physical well-being, consistency, and motivation among students, encouraging them to adopt healthy habits alongside their academic pursuits.

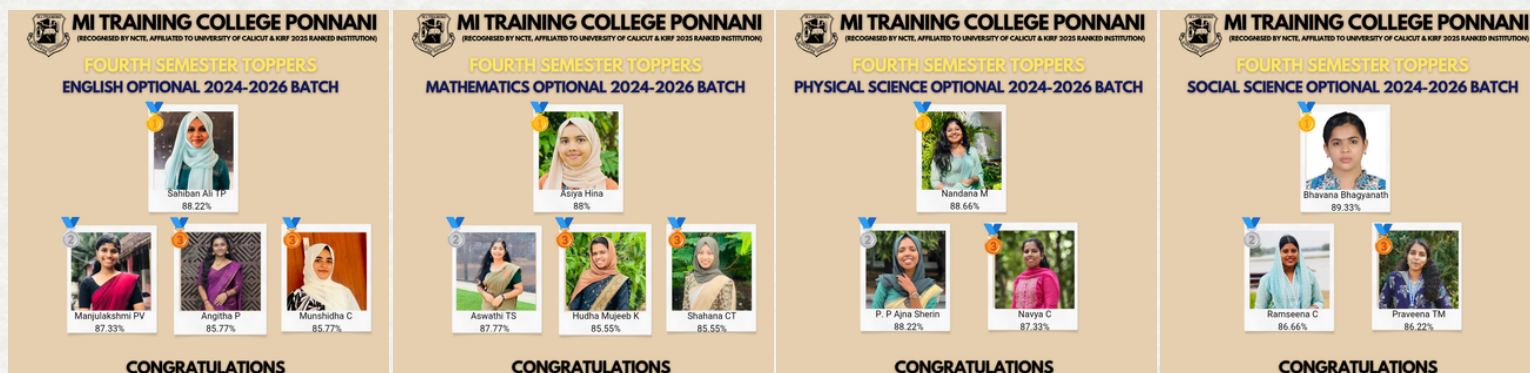

The college authorities appreciated the efforts of the selected students and congratulated all participants, highlighting the importance of maintaining a balanced and healthy lifestyle
