CHOLAM HARVESTING PROGRAMME HELD AT MI TRAINING COLLEGE, PONNANI

The Nature Club and NSS Unit 344 of MI Training College, Ponnani, organized a Cholam Harvesting Programme on Wednesday at 10:00 a.m. on the college campus. The programme aimed to promote sustainable agriculture, environmental awareness, and the importance of traditional farming practices among students.

The event was graced by Rafina Shihab, Malappuram Kudumbashree District Mission and Ponnani Municipality Agri Coordinator, as the chief guest. Addressing the gathering, she highlighted the significance of millet cultivation, sustainable farming methods, and the role of youth in ensuring food security and environmental conservation.

Students, faculty members, and NSS volunteers actively participated in the harvesting activity, gaining practical exposure to agricultural practices while encouraging teamwork and community engagement. The programme reflected the institution's commitment to experiential learning and environmental responsibility.

The Principal of MI Training College congratulated and thanked the NSS Programme Officer and Nature Club Coordinator for successfully organizing the programme. The Principal appreciated their efforts in creating awareness about sustainable agriculture and providing students with valuable experiential learning opportunities.

AI Workshop on Teacher Professional Development Conducted at MI Training College

The Alumni Association of M.I. Training College, Ponnani, in collaboration with the Internal Quality Assurance Cell (IQAC), organized an online workshop on "Artificial Intelligence for Teacher Professional Development" via Google Meet on Saturday evening.

The programme commenced with a welcome address by Midhun G, President of the MITC Alumni Association. Dr. Noufal P., Principal of M.I. Training College, delivered the presidential address, emphasizing the growing importance of artificial intelligence in transforming teaching-learning practices and encouraging educators to embrace emerging technologies for professional growth.

The resource person, Dr. K. Thiyagu, Associate Professor, Department of Education, Central University of Karnataka, was introduced by Dr. Ramitha Rahman P.A

IQAC Coordinator. Dr. Thiyagu delivered an insightful session on the practical applications of artificial intelligence in education, highlighting AI-powered teaching tools, lesson planning, assessment strategies, and ethical use of AI in classrooms. The interactive session enabled participants to explore innovative ways of integrating AI into teaching practices.

The programme concluded with a vote of thanks proposed by Ameen Farook, Staff Coordinator of the MITC Alumni Association, who expressed gratitude to the resource person, Principal, organizing committee, alumni members, faculty, and participants for making the workshop a success.

MI Training College Alumni Association to Organize Alumni Meet on July 12

The MI Training College Alumni Association will organize an Alumni Meet on 12 July 2026 (Sunday) at 2:00 PM on the college campus. The programme is being organized to bring together alumni from various batches and strengthen their connection with their alma mater.

The Alumni Meet will provide an opportunity for former students to reconnect with their teachers and classmates, share their professional journeys, and exchange ideas for the continued growth and development of the institution. The gathering will also serve as a platform to enhance networking among alumni and encourage their active participation in the academic, cultural, and developmental initiatives of the college.

The management, Principal, faculty members, and the Alumni Association warmly invite all alumni of MI Training College to participate in the event and make the gathering a memorable occasion by renewing old friendships and celebrating their enduring bond with the institution.

MITC Faculty Participates in National Summer Course on Teacher Education

Fayis P.S., Assistant Professor of M.I. Training College, Ponnani, participated in the Fifth Annual Summer Course on Teacher Education organized by Azim Premji University, Bengaluru, from June 29 to July 4, 2026.

The week-long programme, titled "Weaving Inclusion for Equitable Futures: Threads across School and Teacher Education," brought together teacher educators, researchers, and education practitioners from across the country to deliberate on inclusive and equitable approaches to school and teacher

education.

The course featured expert lectures, interactive workshops, collaborative discussions, and reflective learning sessions focusing on inclusive pedagogy, educational equity, diversity, and innovative teaching practices. Participants explored strategies to create inclusive classrooms and strengthen teacher education programmes in line with contemporary educational needs.

The participation reflects the institution's continued commitment to faculty development and excellence in teacher education through engagement with nationally recognized academic programmes.

Calicut University to Publish Second B.Ed. Admission Allotment on July 7th

The University of Calicut will publish the second admission allotment for the B.Ed. 2026-2028 programme on July 7th. Candidates who have applied for admission through the university's Centralised Admission Process (CAP) can check their allotment status on the university admission portal.

Candidates who receive an allotment are required to report to their allotted colleges within the stipulated time, carrying the necessary original documents and paying the prescribed admission fee to confirm their seats. The university has advised all applicants to regularly visit the official admission portal for updates regarding allotments and admission schedules. Candidates are also requested to carefully follow the instructions issued by the university to ensure a smooth admission process.

MITC Student Teachers Inaugurate Harithasena and Malayalam Clubs at M.I.G.H.S.S. Puduponnani

MITC Faculty Inaugurates Science Club at M.I.G.H.S.S. Puduponnani

Muhsina N.V inaugurating Malayalam Club

Archana inaugurating Harithasena Club

As part of their school internship programme, student teachers of the 2025–2027 B.Ed. batch of M.I. Training College (MITC), Ponnani, organized the inauguration of the Harithasena Club and Malayalam Club at M.I.G.H.S.S. Puduponnani.

The Harithasena Club was inaugurated by Archana, who emphasized the importance of environmental conservation, sustainable living, and active student participation in protecting nature. Safvana and Fida delivered felicitations, appreciating the initiative and encouraging students to actively engage in the club's activities

The Malayalam Club was inaugurated by Muhsina, an alumna of M.I.G.H.S.S. Puduponnani and a student teacher of M.I. Training College. In her address,

she spoke about the importance of preserving the Malayalam language and nurturing a love for literature among students. The programme also featured a Malayalam song by Nasiba, which was well received by the audience.

The programmes were attended by the teachers, student teachers, and students. The school authorities appreciated the efforts of the MITC student teachers in organizing meaningful activities that promote environmental awareness, language development, and holistic student participation

The Science Club of M.I.G.H.S.S. Puduponnani was inaugurated by Maneesha, Assistant Professor in Physical Science at M.I. Training College (MITC), Ponnani, at a function held on the school campus.

In her inaugural address, Maneesha emphasized the importance of cultivating scientific temper and inquiry-based learning among students. She encouraged them to develop curiosity, engage in scientific experiments, and apply scientific knowledge to solve real-life problems. She also highlighted the role of science clubs in nurturing innovation, creativity, and critical thinking.

The programme was attended by the teachers, and students of the school. Various science club activities and action plans for the academic year were introduced during the event.

M.I. Training College NSS Programme Officer Delivers Awareness Sessions at Two Colleges

Ameen Farook U.K., NSS Programme Officer of M.I. Training College, Ponnani, served as the resource person at two educational institutions in Malappuram district on Monday, addressing students on social awareness and inclusive education.

At Markaz Arts and Science College, Athavanad, Ameen Farook led a "Vivid Vocal Visual Experience" session as part of the "Say No to Drugs" campaign, organized in association with the Department of Social Justice and Nasha Mukth Bharat Abhiyan, Malappuram. Through an engaging multimedia presentation and interactive discussion, he highlighted the harmful effects of substance abuse, the importance of making healthy life choices, and the role of youth in building a drug-free society. Students actively participated in the programme and pledged their support to the anti-drug campaign

Later in the day, he addressed the ITEP 2026–2030 Batch Deeksharambh programme at the Department of Education, Majlis Arts and Science College, where he conducted a motivational session titled "Rhythm of Inclusion: A Fusion of Oneness." The session focused on the values of inclusivity, empathy, mutual respect, and social harmony in educational institutions. He encouraged the newly admitted students to embrace diversity and contribute towards creating inclusive learning environments.

Both programmes received enthusiastic participation from students and faculty members. The sessions were appreciated for their interactive approach and relevance, reinforcing the importance of social responsibility, inclusive education, and value-based learning among the student community

Student Teachers Conduct Drug Awareness Programmes in Schools During Internship

As part of their school internship programme, the 2025–2027 B.Ed. batch of MI Training College organized a series of Drug Awareness Programmes in various practice teaching schools to promote a drug-free and healthy society among students. The awareness initiatives included a variety of activities designed to educate students about the harmful effects of substance abuse and the importance of making healthy life choices. Drug-free pledges were administered, encouraging students to commit themselves to staying away from drugs and other harmful substances.

To extend the message to the wider community, awareness rallies were organized with active participation from students and teachers. The rallies carried placards and slogans highlighting the importance of preventing drug abuse and promoting a healthy lifestyle. Student teachers also conducted poster-making competitions and quiz competitions to engage school students in a creative and interactive manner. These activities encouraged participants to express their understanding of drug prevention while

enhancing their awareness through learning and healthy competition. The programmes received enthusiastic participation from students, teachers, and school authorities. Through these initiatives, the student teachers effectively contributed to spreading awareness about the dangers of drug abuse and inspired young learners to adopt responsible and healthy lifestyles.

Uroob Memorial Programme to Be Held at MI Training College

A memorial programme in honour of renowned Malayalam writer Uroob, along with literary and cultural events, will be held at the M.I. Training College Auditorium, Ponnani, on Sunday, July 12.

The programme is being organized by Malayala Sahithya Patham in association with She Heroes Ponnani, a prominent women's organization in Ponnani. Kerala Minister for Revenue, Shri A.P. Anil Kumar, will inaugurate the programme. Eminent writers, literary personalities, and cultural figures will participate in the event and pay tribute to the literary contributions of Uroob.

The organizers have sought the cooperation of M.I. Training College, under the M.I. Association, in hosting the programme and providing the necessary facilities. The event will feature literary discussions, remembrance sessions, and cultural programmes celebrating the life and works of one of Malayalam's most celebrated writers.

The organizers have invited writers, teachers, students, literature enthusiasts, and the public to attend the programme and make the event a meaningful tribute to Uroob's enduring literary legacy.

New B.Ed. Batch (2026–2028) to Commence at MI Training College

The 2026–2028 B.Ed. batch at MI Training College, Ponnani, will commence on 13 July 2026. A welcoming and orientation programme will be organized for the newly admitted student-teachers. The Principal and faculty members will address the students and introduce them to the college, academic programme, facilities, and institutional values. The programme will mark the beginning of a new academic journey for the aspiring teachers.
