## FROM MI TRAINING COLLEGE, PONNANI

## MI TRAINING COLLEGE INAUGURATES 2026–2028 B.ED. BATCH

Ponnani, July 13: M.I. Training College, Ponnani, formally inaugurated its 2026–2028 B.Ed. batch through the Deeksharambh programme held at the college auditorium on Monday. The event marked the beginning of the academic journey for the new batch of student teachers.

The programme commenced with a prayer by the College Choir, followed by a welcome address by Dr. Noufal P., Principal, M.I. Training College. Mr. A.M. Abdu Samad, Secretary, MI Association, presided over the function.

The 2026–2028 B.Ed. batch was formally inaugurated by Adv. V.S. Joy, Hon'ble MLA, Thavanur. In his inaugural address, he emphasized the vital role of teachers in shaping responsible citizens and highlighted the importance of quality teacher education, innovation, and

commitment in building a progressive society.

Felicitations were offered by Mr. K.V. Habeebullah, Mr. Ahammed Bafakhy Thangal, Mr. Ismail T.T. (Management Committee Members, MI Association), Mrs. Praseena ARK (PTA Vice President), and Mrs. Henna Fathima K. (Former College Union Chairperson). The programme concluded with a vote of thanks proposed by Dr. Ramitha Rahman P.A., IQAC Coordinator, expressing gratitude to the dignitaries, parents, faculty members, and students for making the inaugural function a memorable occasion.

an orientation session on the B.Ed. programme was conducted by Dr. Noufal P., introducing the students to the curriculum, internship, academic regulations, and institutional values

## MI Training College Organises 'Iqrah' Student Induction Programme for B.Ed. 2026-2028 Batch

Ponnani, July 16: M.I. Training College, Ponnani, organised "Iqrah", the first day of the Deeksharambh Student Induction Programme for the B.Ed. 2026-2028 batch, under the auspices of the IQAC, at the college seminar hall on Thursday.

The programme began with a prayer, followed by a welcome address by Dr. Noufal P., Principal, M.I. Training College. In his address, he warmly welcomed the newly admitted student teachers and encouraged them to make the best use of the opportunities available during the B.Ed. programme. He highlighted the importance of discipline, academic excellence, and professional ethics in becoming competent teachers.

The induction programme featured an inspiring session by T.V. Abdurahiman Kutti, Historian and Writer, who spoke about the value of reading, the importance of developing a questioning mind, and the role of teachers in preserving culture and promoting human values. He urged the students to cultivate a habit of reading books regularly and to use knowledge for the betterment of society.

Hannah Ashraf, Research Scholar, IIT Bombay, delivered an interactive session on research, innovation, and the opportunities available for young educators in the field of higher education. She motivated the student teachers to develop critical thinking, digital competence, and a scientific outlook, while encouraging them to remain curious and open to new learning experiences throughout their careers.

A unique self-introduction activity formed an important part of the programme, where each student introduced themselves by sharing the most influential lines from their favourite book. The activity created a warm and engaging atmosphere, encouraged meaningful self-expression, and helped students build confidence and connect with their classmates. Faculty members, staff, and the newly admitted B.Ed. students actively participated in the programme, making the first day of the induction programme informative, interactive, and memorable. The programme concluded with a positive note, setting the stage for a productive and enriching academic journey for the 2026-2028 B.Ed. batch.

## MITC Selects New PTA Executive Committee for 2026-28 B.Ed. Batch

M.I. Training College (MITC), Ponnani, constituted the new Parent-Teacher Association (PTA) Executive Committee for the 2026-28 B.Ed. batch during the PTA meeting held as part of the Deeksharambh Student Induction Programme.

The meeting was presided over by Dr. Noufal P., Principal, MITC, while Mrs. Praseena ARK, PTA Vice President, delivered the special address. Mr. Fayis P. S., Assistant Professor, welcomed the gathering, and Mr. Ameen Farook U. K., Assistant Professor, proposed the vote of thanks. Following discussions on strengthening parent-teacher collaboration and supporting students' acade-

ademic and personal development, the new PTA Executive Committee was unanimously elected.

The newly elected PTA Executive Committee members are Iqbal Vathiyedath, Ramla Madathikkatti, Tahira Kunhumintekah, and Yasri Arafath C. The college expressed confidence that the new committee would play an active role in enhancing cooperation between parents and the institution and contribute to the overall development of the B.Ed. programme.

## University of Calicut Publishes B.Ed. Waiting Rank List

The University of Calicut has published the waiting rank list for admission to the B.Ed. programme (2026-28 batch), providing another opportunity for candidates who were not included in the main rank list to secure admission.

According to the University notification, colleges have been directed to complete admissions under the vacant category from the waiting rank list on or before 29 July 2026. Eligible candidates are advised to contact the allotted colleges and complete the admission formalities within the stipulated time.

The University has instructed colleges to strictly follow the admission guidelines while filling vacant seats, ensuring transparency and timely completion of the admission process. Candidates are also advised to regularly visit the University admission portal for further updates and announcements.

The University has fixed a mandatory application fee of ₹155 for SC/ST candidates and applicants eligible for fee concession, while all other candidates are required to pay ₹610. Candidates have been advised to complete the application process within the stipulated time and follow further updates on the University admission portal.

## MITC Student Teachers Observe World Population Day During Internship

Student teachers of M.I. Training College (MITC), Ponnani, observed World Population Day in various practice teaching schools as part of their teaching internship. To create awareness about population issues and sustainable development, the student teachers organised quiz competitions for school students.

The quiz focused on themes such as population growth, family welfare, environmental sustainability, health, and responsible citizenship. Students enthusiastically participated in the competition, demonstrating their knowledge and awareness of global population challenges.

The programme aimed to encourage students to understand the significance of World Population Day and the importance of balanced population growth for sustainable development. Winners of the quiz competition were appreciated with certificates and prizes.

The initiative was well received by the school authorities, teachers, and students. Through such awareness programmes, the MITC student teachers continue to make their internship a meaningful learning experience while contributing to the social and educational development of the school community.

## MITC Faculty Member Announces Winners at GUPS Cheriavayikkara

M.I. Training College (MITC), Ponnani, continued its outreach initiatives through the participation of its faculty in school activities. Mr. Ameen Farook U.K., Faculty Member, MITC, attended the prize distribution ceremony of the World Cup Prediction Competition organised by Government Upper Primary School (GUPS), Cheriavayikkara.

During the programme, Mr. Ameen Farook U.K. announced the winners of the World Cup Prediction Competition and presented prizes to the successful participants. Addressing the gathering, he congratulated the winners and appreciated all the students for their enthusiastic participation.

The programme was attended by the Headmistress, teachers, parents, and students. The school authorities thanked M.I. Training College, Ponnani, and Mr. Ameen Farook U.K. for their support and valuable presence, which added significance to the event.

## MITC Student Teachers Organise International Justice Day Drawing Competition During Internship

As part of their teaching internship, student teachers of M.I. Training College (MITC), Ponnani, organised a drawing competition in observance of International Justice Day at M.I. Girls Higher Secondary School (MIGHSS).

The competition was conducted to create awareness among students about the values of justice, equality, human rights, peace, and social responsibility. Students from different classes enthusiastically participated by presenting creative drawings reflecting the theme of justice and fairness in society.

The competition was conducted to create awareness among students about the values of justice, equality, human rights, peace, and social responsibility. Students from different classes enthusiastically participated by presenting creative drawings reflecting the theme of justice and fairness in society.

The school authorities appreciated the initiative taken by the MITC student teachers in promoting social awareness through creative activities. The programme was successful in fostering awareness of International Justice Day while enhancing students' creative expression and civic values.

## MITC Conducts Inspiring Sessions as Part of Deeksharambh Student Induction Programme

M.I. Training College (MITC), Ponnani, organised a series of interactive and motivational sessions as part of the Deeksharambh Student Induction Programme for the B.Ed. 2026–2028 batch, helping newly admitted student-teachers understand the values, responsibilities, and skills required in the teaching profession. The first day's afternoon session, titled "Discover the Teacher Within," was led by Dr. Ramitha Rahman P.A. and Dr. Silva P., Assistant Professors at MITC. Through

reflective activities, group discussions, and self-assessment exercises, the resource persons encouraged students to explore their strengths, identify their teaching potential, and develop confidence as future educators. The second day's first session, "Reaching Beyond a Profession: Teaching as a Mission," was handled by Dr. Noufal P., Principal, MITC. He inspired the student-teachers to view teaching as a mission of service rather than merely a profession and highlighted the importance of dedication,

empathy, ethical values, and lifelong learning in shaping future generations. The second day's afternoon session, "Hands That Speak: Using Mudras for Classroom Management," was conducted by Ms. Poushima V.P., Assistant Professor at MITC, classical dancer, and Artistic Director of Thauriyathrika Academy. The session introduced innovative classroom management techniques using hand gestures and non-verbal communication to enhance student engagement and create an effective learning environment

## Basheer Comes Alive Through Skit at GUPS Cherivayikkara

As part of their teaching internship, student-teachers from M.I. Training College (MITC), Ponnani, in collaboration with the teachers of GUPS Cherivayikkara, organised a Basheer Day celebration to commemorate the birth anniversary of renowned Malayalam writer Vaikom Muhammad Basheer.

With the support and guidance of the school teachers, the student-teachers presented a skit based on the life and literary works of Vaikom Muhammad Basheer. The performance highlighted Basheer's human values, simplicity, and unique style of storytelling, captivating

the audience and promoting an appreciation for Malayalam literature.

The programme aimed to introduce students to Basheer's literary legacy through creative learning activities. The celebration was well received by students and teachers, making it a meaningful and memorable event during the internship programme

## Writer Ardra K. S. Reviews Kamalakalt at MITC Literary Lens

Ponnani, July 17: The Literary Club of M.I. Training College (MITC), Ponnani, organised the 109th episode of its weekly online book review series, Literary Lens, featuring writer Ardra K. S. as the guest speaker.

During the session, Ardra K. S. reviewed her book Kamalakalt and shared the inspiration behind its creation, the themes explored in the work, and her experiences as a writer. Her presentation offered participants a unique opportunity to understand the creative process and appreciate the literary depth of the book.

The programme concluded with an interactive discussion, where students and faculty members engaged with the author on various aspects of literature and creative writing. The event was organised under the guidance of Dr. Noufal P., Principal, and coordinated by Mr. Ameen Farook U. K., Assistant Professor, as part of MITC's ongoing efforts to promote reading, literary appreciation, and meaningful dialogue through the Literary Lens series
