MI TRAINING COLLEGE ORGANISES MUSICAL TRIBUTE TO MOHAMMED RAFI

Ponnani, 31 July 2026: MI Training College, Ponnani, organized a heartfelt musical tribute to commemorate the 46th death anniversary of the legendary playback singer Mohammed Rafi. The programme, conducted by the First Year B.Ed. students, celebrated the timeless legacy of one of India's most cherished musical icons.

The programme began with a prayer by Nihla Rinu, Aneesha M, Jyothika K, and Shalima Farhath K M, followed by a welcome speech by Navya Bhaval C. The function was presided over by Mr. Ameen Farook U. K., Assistant Professor, and inaugurated by Mr. Abdul Samad, M.I. Sabha Secretary. Mr. Fayis P. S., Assistant Professor, and Dr. Ramitha Rahman P.A., IQAC Coordinator, delivered felicitation addresses, appreciating the students for organising a meaningful programme that celebrated India's rich musical heritage.

A major attraction of the event was the Musical Tribute, during which 12 singers presented 46 evergreen songs of Mohammed Rafi. Their soulful performances recreated the magic of Rafi Sahib's timeless melodies and received enthusiastic appreciation from the audience.

The programme concluded with a vote of thanks proposed by Isana Farook. The event served as a heartfelt tribute to Mohammed Rafi, celebrating his extraordinary contribution to Indian music and ensuring that his unforgettable voice continues to inspire future generations.

MI Training College Commemorates APJ Abdul Kalam Remembrance Day

Ponnani, July 27: The Physical Science B.Ed. Batch 2026–2028 of MI Training College, Ponnani, observed APJ Abdul Kalam Remembrance Day with great reverence and enthusiasm on 27 July 2026. The programme honoured the life and legacy of Dr. A.P.J. Abdul Kalam, the former President of India, renowned scientist, visionary leader, and beloved teacher.

The programme commenced with a prayer by Navya Bhaval C and Jafla A, followed by Shafeela Nasrin K T serving as the anchor. Jafla A administered the pledge, Muhsina. N

shared the thought for the day, Shafeela Nasrin K T presented the holy thought, and Navya Bhaval read the news. A presentation on the life, achievements, and inspiring vision of Dr. Kalam was delivered by Fathimath Shahdiya P P, highlighting his contributions to science, education, and nation-building. The programme concluded with a renewed commitment to uphold Dr. Kalam's vision of a developed and enlightened India. The remembrance ceremony served as a meaningful tribute to his enduring legacy and motivated students to pursue excellence with dedication and integrity.

MI Training College Observes World Nature Conservation Day

Ponnani, July 28: The Nature Club (തദ്ദേശ) in association with NSS Unit No. 344 of MI Training College, Ponnani, observed World Nature Conservation Day on 28 July 2026 with the theme "Restoration, Resilience & Responsibility." The programme aimed to create awareness among student teachers about the importance of conserving natural resources and protecting the environment for future generations.

The programme was anchored by Shifana E. P and began with a prayer by Anshitha A and Suhaira Subair. Mohsina M P administered the conservation pledge, Arva Sherin shared the holy thought, Geethika Shiju presented the news, and Fathima Hanah delivered the thought for the day. An introductory session on the significance of World Nature Conservation Day highlighted the urgent need for environmental protection and sustainable living.

As part of the celebration, a Nature Conservation Quiz was conducted to enhance students' environmental awareness and deepen their understanding of biodiversity

conservation, and sustainable practices. This was followed by a Spot Photography Competition, which encouraged participants to capture the beauty of nature while conveying the importance of protecting and preserving the environment. Both events witnessed enthusiastic participation from students and reflected their commitment to environmental stewardship and conservation.

In the Nature Conservation Quiz, Aparna P V secured the First Prize, Nihla Rinu won the Second Prize, and Munsila Banu secured the Third Prize. In the Spot Photography Competition, Shabnam won the First Prize, Shafeela Nasrin K T secured the Second Prize, and Fathimath Shahadiya P P and Nitha Fathima C shared the Third Prize. The winners were congratulated for their outstanding performances and creativity in promoting environmental awareness.

The programme concluded with a collective pledge to conserve nature and reaffirmed the institution's commitment to fostering environmental responsibility through meaningful awareness programmes and student-led initiatives.

MITC Faculty Member Successfully Completes Refresher Course on AI-Powered ICT Tools

Dr. Ramitha Rahman P.A., IQAC Coordinator, MI Training College (MITC), Ponnani, successfully completed the Refresher Course on AI Powered ICT Tools for Teaching and Learning, conducted from 13 July 2026 to 25 July 2026.

The two-week professional development programme focused on the effective integration of Artificial Intelligence (AI) and Information and Communication Technology (ICT) in teaching-learning practices. The course provided participants with hands-on training in AI-powered educational tools, digital content creation, interactive assessment platforms, lesson planning using AI, and innovative strategies for enhancing student engagement and learning outcomes.

Representing MI Training College, Dr. Ramitha Rahman P.A. actively participated in the sessions, workshops, and practical activities. The programme strengthened her competencies in leveraging emerging technologies for teaching, assessment, and academic quality enhancement.

The successful completion of the refresher course reflects MI Training College's commitment to promoting continuous professional development and equipping its faculty with contemporary digital pedagogical skills. The knowledge and expertise gained through the programme are expected to contribute significantly to technology-enabled teaching practices, faculty development initiatives, and quality enhancement activities coordinated by the IQAC.

Faculty Members Participate in University Examination Valuation

The Second Semester B.Ed. University Examination valuation of the University of Calicut concluded successfully. Ms. Sheheena A. M., Ms. Liya V. Raj, and Mr. Ameen Farook U. K., Assistant Professors of MI Training College, Ponnani, actively participated in the centralized valuation process. They evaluated answer scripts with accuracy and fairness, ensuring the timely completion of the valuation. Their participation reflects the institution's commitment to academic excellence and quality assessment. The faculty members contributed significantly to the smooth conduct of the University examination process.

Student Teachers Observe Premchand Day with Quiz Competition

As part of the B.Ed. internship programme, the student teachers of MI Training College, Ponnani, celebrated Premchand Day in various practice teaching schools to commemorate the birth anniversary of the renowned Hindi writer Munshi Premchand.

To mark the occasion, the student teachers organised a Quiz Competition based on the life, literary works, and contributions of Munshi Premchand, along with questions on Indian literature and language. The competition witnessed enthusiastic participation from school students, who displayed keen interest and impressive literary knowledge.

The programme highlighted the importance of reading, language learning, and appreciation of India's rich literary heritage. Teachers appreciated the efforts of the student teachers in conducting an engaging and informative activity that promoted literary awareness among students.

The celebration concluded with the distribution of prizes to the winners and a message encouraging students to cultivate the habit of reading and draw inspiration from the timeless works of Munshi Premchand.

Student Teachers Celebrate International Tiger Day

As part of the B.Ed. internship programme, the student teachers of MI Training College, Ponnani, observed International Tiger Day on 29 July 2026. The celebration aimed to create awareness among school students about tiger conservation, wildlife protection, and the importance of maintaining ecological balance. The programme began with an awareness session highlighting the significance of International Tiger Day and the urgent need to protect the endangered tiger population. Student teachers conducted engaging activities, encouraging students to learn about tiger habitats, biodiversity, and conservation efforts. Students participated enthusiastically in the activities and pledged to protect wildlife and preserve forests. The interactive sessions helped them understand the vital role of tigers in maintaining healthy ecosystems and inspired them to become responsible guardians of nature.

Creative Corner Inaugurated at Kadencherry School

A Creative Corner was inaugurated at Kadencherry School with the objective of promoting creativity, innovation, and experiential learning among students. The initiative was organized by the student teachers of MI Training College, Ponnani, as part of their B.Ed. internship programme.

The Creative Corner was formally inaugurated by Adv. V. S. Joy, MLA, in the presence of school authorities, teachers, student teachers, and students. The newly established space features a variety of learning resources, including educational models, household utility displays, creative art and craft exhibits, traditional attire displays, and practical learning materials designed to encourage hands-on learning and skill development.

Student Teachers Celebrate International Friendship Day with 'Letter Box' Activity

As part of the B.Ed. internship programme, the student teachers of MI Training College, Ponnani, celebrated International Friendship Day in various practice teaching schools by organising a unique "Friendship Letter Box" activity.

A specially designed Letter Box was placed in the school, inviting students to write letters and appreciation notes to their friends. The activity encouraged students to express gratitude, kindness, encouragement, and positive feelings through handwritten messages, thereby strengthening friendship and promoting empathy and emotional well-being. The initiative witnessed enthusiastic participation from students, who exchanged heartfelt messages celebrating the values of friendship, respect, and mutual support. Teachers appreciated the innovative activity for promoting effective communication, positive relationships, and a caring school environment.

Student Teachers Observe World Nature Conservation Day in Various Schools

As part of the B.Ed. internship programme, the student teachers of MI Training College, Ponnani, observed World Nature Conservation Day in various practice teaching schools by organizing a range of awareness and creative activities to promote environmental conservation among school students.

The programmes commenced with a Nature Conservation Pledge, encouraging students to protect natural resources, conserve biodi-

versity, and adopt sustainable lifestyles. Poster Making and Painting Competitions were conducted on the theme of nature conservation, enabling students to creatively express their concern for the environment. A Nature Conservation Day Choreographed Poetry Performance was also presented, effectively conveying the message of environmental protection through poetry, music, and coordinated movements.

The programmes commenced with a Nature Conservation Pledge, encouraging students

protect natural resources, conserv participation from students and teachers across the schools. The internship student teachers successfully coordinated the programmes, inspiring school children to become responsible custodians of nature and to practice eco-friendly habits in their daily lives.

The celebrations concluded with a renewed commitment to environmental stewardship, reinforcing the message that protecting nature is a shared responsibility and an essential step towards a sustainable future

Student Teachers Participate in 'Arivolsavam' at Various Schools

As part of the B.Ed. internship programme, the student teachers of MI Training College, Ponnani, actively participated in Arivolsavam organised in various practice teaching schools. The programme aimed to promote academic excellence, creativity, and holistic development among school students

The student teachers assisted in planning and conducting various educational and co-curricular activities, coordinated different events, guided participants, and supported the smooth conduct of the programme. They also encouraged students to showcase their talents and actively engage in the learning activities

The enthusiastic involvement of the student teachers contributed significantly to the success of Arivolsavam, creating an interactive and vibrant learning atmosphere in the schools. The programme provided the interns with valuable hands-on experience in organising educational events while strengthening their teaching, leadership, and organisational skills
