Brief Description of the Programme

The World Day Against Trafficking in Persons – Awareness Programme was organized by the Social Science B.Ed. Batch 2026–2028 on 30th July 2026 at the College Seminar Hall. The programme aimed to create awareness among students about human trafficking, its harmful effects, exploitation, and the importance of protecting human rights.

The programme began with a prayer led by Aparna P.V and Munsila Banu K.T, seeking peace, safety and well-being for all. This was followed by the pledge, led by Shifana Sherin, where everyone pledged to stand against exploitation and support a safer society.

The news reading was presented by Nihla Rinu, who shared important national and international news. Musafira then presented the Thought of the Day, encouraging everyone to think about the importance of humanity, freedom and equality.

This was followed by the Holy Thought, presented by Safvana A.M, which highlighted the values of compassion, dignity and respect for every individual.

Jyothika K delivered an awareness speech on human trafficking. She explained the meaning of trafficking, its causes and consequences, and the need to remain alert and take action against exploitation. The programme also emphasized the message that “People are not for sale” and encouraged everyone to raise awareness and stand against trafficking.

The programme was anchored by Anshitha.A, who coordinated the different sessions and activities smoothly. The programme concluded with a message emphasizing the importance of collective responsibility in preventing human trafficking and protecting the rights and dignity of every person.

The programme was a meaningful awareness initiative that encouraged students to break the chain of trafficking, end exploitation, and work towards a safer society for all.
